Re: Amended Notice of Hearing  
Regarding Fifth Omnibus Objection  
Of USA Commercial Mortgage Company  
To Claims Asserting Secured Status

U.S. BANKRUPTCY COURT  
PATRICIA LEAH CLERK

Based on documentation submitted in support of the proof of claim, I am opposing the objection to the relief in this matter.

I also wish to state that, based on the fact that the financial principals of USA Capital apparently failed to exercise their fiduciary responsibility to safeguard the funds in their possession, therefore USA Capital should act as security for those funds.

This letter should be regarded as my compliance with Local Rule 3007 (b) , as my written response served to the objecting party and filed with the Court.

Case data as listed on cover sheet attached.

Sincerely,

Celso Acosta
